Terms and Conditions

Thruvton Motorsport Centre is committed to ensuring that all of its customers enjoy their experiences. To ensure there is no misunderstanding with regard to purchase and participation of any experiences please read the following information carefully. Call Thruvton on 01264 882222 if there are any issues you would like to discuss.

Venue

Driving

Thruvton Race Circuit is a licenced motorsport venue and as such meets all the requirements laid down by the governing body of motorsport in the UK, the MSA (Motorsports Association). We operate with full third party public liability insurance cover. All the instructors are qualified by the Association of Racing Drivers Schools (ARDS), a body recognised by the MSA.

Participation

All participants will be required to sign an indemnity form at registration and attend the briefing before taking part in the experience. All participants on a track driving course or 4x4 must hold a current driving licence.

Driving

Once your course is booked, Thruvton Motorsport Centre allocates your experience slot and covers the associated costs for the appropriate vehicles and instructors. We require you to arrive in plenty of time (at least 20 minutes before the start of your course). All participants must attend a pre event briefing. Failure to do so or being late may result in you not being able to participate in the experience. We reserve the right to refuse an experience to anyone who is deemed to be under the influence of alcohol or drugs.

All attendees must abide by the experience rules and regulations as described in the briefing. They must drive in a manner as instructed and where relevant no more than the specified rev limit. They will be unable to complete their course if any car is damaged whilst they are in control and will not be able to claim a refund.

Where required helmets/safety equipment must be worn, no exception will be made.

Gift Vouchers

Gift vouchers are valid for one year from the date of purchase and must be booked by the beginning of the tenth month. The chosen activity must be undertaken within the one year period.

Gift vouchers can be refunded for up to 2 months (8 weeks) after purchase subject to a £25 charge. After that time the vouchers are not refundable in any circumstances. Gift vouchers cannot be extended. It is the recipient's responsibility to understand the valid period, operating days within that time and plan accordingly to use it before the valid period expires.

Gift vouchers can be exchanged for higher value vouchers with the difference in price being paid. If you exchange for a lower value a £25 charge will be made and the balance refunded.

Gift vouchers can be transferred to other people.

Any refund will be made to the purchaser and not the voucher holder.

The voucher must be returned before a refund is given.

Deposit Bookings

Deposit bookings can only be made for driving experiences. A deposit can be paid to reserve a place (or places) on a specific course on a specific date. The balance of the course fee will be paid on arrival at Thruvton on the course date.

A confirmation only (not a voucher) will be sent on receipt of your deposit payment. Deposit bookings can be refunded up to 2 months (8 weeks) after the booking has been made subject to a £25 charge being made. After that time deposit bookings are not refundable in any circumstances.

Deposit bookings will not be refunded within the above 2 months (8 weeks) period if it is within 2 weeks of the course date as time vehicles and staff have been allocated to you.

Any refund will be made to the purchaser only.

Cancellation Of Booked Date

Thruvton Motorsport Centre operates a cancellation policy and offer its customers a purchased cancellation cover that gives extra flexibility once a date has been booked. Cancellation cover can only be purchased before or at the time the original booking is made. Cancellation cover cannot be purchased after a date has been booked.

Once a date has been booked [either a voucher that has been booked in or a deposit paid against a specific date] it can be moved only once and only if the change of date is made more than two weeks (14 days) before the original booked date. A charge of £35 will be made at the time the booking is changed. You will not be able to change your booking if you are within two weeks (14 days) of the original booking. You can send someone else in your place.
